## **GUIDELINES FOR AWARDING EDUCATIONAL ASSISTANCE TO COLLEGE STUDENTS**

1. The student who scores high rank in 10<sup>th</sup>/ +2 during the Academic year 20...–20... and economically poor is eligible for the College Educational Assistance.
2. Top priority will be given to the Student who becomes a First Graduate in the family.
3. Preference will be given to the student who studies in Government Arts & Govt. Polytechnic Colleges.
4. The student, who has passed without any arrears in his /her first and subsequent years of studies, is eligible for the Educational Assistance.
5. Term Fees alone will be paid by the Trust for the student who selected for Educational Assistance.
6. If the Term Fee already paid, the Student is not eligible for Educational Assistance for that semester.
7. No hostel or any other fees will be paid by the Trust except the mentioned fee in the Guidelines.
8. The financial position and special reason if any, for the parent's inability to pay fees will also be taken in to consideration apart from the grades / marks obtained by the student.
9. The student who is willing to avail the Educational Assistance from the Trust shall fill up the Application form available in the Trust office or download the same from the Trust Web site: [www.ttm.org.in](http://www.ttm.org.in)
10. The filled up application form should reach the Trust office within Seven (07) days from the date of receipt of the same by the student.
11. The committee appointed by the Trust will peruse the application forms and RECOMMEND the Trust to award sanction for the Educational Assistance. The decision of the Committee is final. No further correspondence will be entertained.
12. The Student and his/her Parents / Guardian should appear before the Committee if needed along with the Original documents as called for in the Application. If needed Trust may depute an authorized person to visit the place of residence of the Student for verification purpose.
13. The Educational Assistance awarded will be for the academic year of 20 - 20 only. The student is not given any guarantee or assurance that the Educational Assistance will be continued for next year or subsequent years.
14. Next year will be a fresh one and new application form will be introduced by the Trust.

- 15. The filled up application form will be considered only on merits, & based on the guidelines of that year.**
- 16. The Educational Assistance will not be paid to the student who suspended from the college or discontinued his/her studies during that academic year. If already paid, that amount will be recovered from the student.**
- 17. The Educational Assistance will be in the nature of full fees for the whole year, or for one semester, or part of the fees or a lump sum amount as decided by the Committee and approved by the Trust.**
- 18. If the Trust comes to know that, the information given by the applicant is false or away from truth, the Trust will stop the Educational Assistance immediately. If already paid, that amount will be recovered from the student.**
- 19. The decision of the Trust is final and the Trustees are empowered to alter, modify, add, delete one or more guidelines, or withdraw the entire scheme at their own discretion.**
- 20. The trust will not entertain any correspondence or recommendation from any source. The beneficiary students have full right to accept or reject the Educational Assistance. No further correspondence or phone call entertained in this connection once payment of Assistance is given effect.**
